To: Honorable Chairman Jean Monestime
and Members, Board of County Commissioners

From: Carlos A. Gimenez
Mayor

Agenda Item No. 8(F)(5)

Subject: Recommendation for Approval to Establish a Pre-Qualification Pool: ID Cards, Printers, Supplies, and Accessories

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the establishment of a pre-qualification pool, RTQ-00272, for purchase of ID cards, supplies, printers, and accessories, including, but not limited to, laminated ID pouches, badge printers, ribbons, and transfer film, for use by multiple County departments. The ID cards under this pool, which are used for identification purposes, vary in size, shape, and style. The Aviation and Water and Sewer Departments will use this pool to purchase intrusion detection cards for employee access to various secured areas within their facilities.

Scope

The impact of this item is countywide in nature.

Fiscal Impact/Funding Source

The fiscal impact for the eight-year term is \$3,063,000. The previous contract, 7676-1/15, is valued at \$990,504 for six (6) years and was awarded to a single vendor with fixed pricing. The replacement solicitation establishes a pre-qualification pool, which will enhance competition, better satisfy departmental requirements (e.g., unforeseen related items may be quoted), and reduce costs, as spot market quotes among the pre-qualified pool vendors will be issued as the need arises. The allocation being requested under this replacement pool is higher than the previous contract's due to projected usage, as well as the addition of items not previously included.

Department/County Agency	Allocation	Funding Source	Contract Manager
Aviation	\$1,000,000	Proprietary Funds	Neivy Garcia
Clerk of the Courts	6,000	Proprietary Funds	Charis Lubeck
Parks, Recreation and Open Spaces	18,000	General Fund	Charlotte Thompson
PortMiami	475,000	Proprietary Funds	Gyselle Pino
Regulatory and Economic Resources	146,000	Proprietary Funds	Vivian Sotolongo
Transportation and Public Works	120,000	MDT Operating	Rodney McMillian
Water and Sewer	1,298,000	Proprietary Funds	Susan Pascual
Total	\$3,063,000

Delegated Authority

Upon approval of this item, a pool of pre-qualified vendors will be established to participate in spot market competitions. The County Mayor or the County Mayor's designee will have the authority to solicit pricing and award contracts up to an aggregate amount of the allocation authorized by the Board. The County Mayor or the County Mayor's designee will also have the authority to (a) exercise

all provisions of the solicitation documents and any resulting contracts pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38, and (b) add vendors to the pool at any time, subject to ratification by the Board on a bi-annual basis.

Vendors Pre-Qualified for Pool

A Request to Qualify (RTQ) was issued under full and open competition on December 4, 2015. The method of award was to pre-qualify all responsive and responsible vendors that met the minimum requirements as specified in the RTQ for participation in future spot market competitions. Seven (7) vendors responded to the solicitation, of which one (1) was a "No Bid." The vendors listed in the following table satisfied the prequalification criteria. Additional qualified vendors may be added to the pool during the term of the RTQ.

Due Diligence

Pursuant to Resolution No. R-187-12, due diligence was conducted in accordance with the Internal Services Department's Procurement Guidelines to determine contractor responsibility, including verifying corporate status and that there are no performance or compliance issues. The lists that were referenced include convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties. There were no adverse findings relating to contractor responsibility.

Pursuant to Resolution No. R-140-15, prior to the re-procurement of this contract, a full review of the scope of services was conducted to ensure the replacement pool award best reflects the County's current needs. The review included conducting market research, posting a draft solicitation for industry comment, and holding meetings and drafting sessions with the user departments.

Applicable Ordinances and Contract Measures

- The two (2) percent User Access Program provision applies and will be collected on all purchases.
- The Small Business Enterprise (SBE) Bid Preferences and Local Preference Ordinances will be applied at the time of the spot market competition. A SBE set-aside also applies for spot market competition up to \$100,000 when there are three (3) or more SBE-certified firms available.
- The Living Wage Ordinance does not apply.
